SUBJECT: 1999 WtW STATE PLAN, 85 PERCENT PLANNING INSTRUCTIONS

AND ALLOCATION ESTIMATES

The purpose of this information bulletin is three fold: (1) announce the publication of the 1999 Welfare-to-Work (WtW) Draft State Plan, (2) provide key planning information for the 85 percent grant funds, and (3) provide 85 percent planning allocations for Fiscal Year 1999.

1999 WtW DRAFT STATE PLAN

The 1999 draft State Plan for the federal WtW grant program is available for public review and comment through the State Job Training Coordinating Council (SJTCC) web site at http://www.sjtcc.ca.gov. Copies may also be obtained by calling (916) 657-0227. The SJTCC is holding four public meetings to gather public testimony regarding the proposed second year WtW State Plan. The public hearings are scheduled as follows:

February 16 Oakland
February 17 Fresno
February 22 Sacramento
February 23 Los Angeles

More information is available in the attached public meeting announcement.

KEY PLANNING INFORMATION – 85 PERCENT WtW GRANT FUNDS

The planning instructions for the second year of the federal formula WtW grant program will be issued in a draft directive March 1, 1999. We will be using a plan modification process to incorporate the new 1999 WtW 85 percent funds into the local plans. Plan modifications will be due to the Job Training Partnership Division by April 30, 1999.

The modification process will require signatures by the Private Industry Council (PIC) Chair, Chief Elected Official, and County Board(s) of Supervisors. There are no specific federal publication requirements for the local WtW grant program plans. However, at a

minimum, the modification must be open to public comment at PIC meetings prior to submission to the state.

PRELIMINARY PLANNING ESTIMATES FOR FISCAL YEAR 1999

Attached are the preliminary planning allocations as published in the draft 1999 State Plan. The allocations are based on early planning estimates and are provided for planning purposes only. You will be notified when final allocations have been determined.

If you have any questions, please contact your program manager.
